HELPING LOCAL KIDS IN NEED

Absentee bidding

If you know someone who cannot attend the lunch but would like to bid can co-ordinate a committee member to be assigned to call them when your item is coming up for auction on the day.

Please note: you and you alone will be responsible for your bidding. By bidding you are aware The Board Meeting and its members make no promises of guarantees about the condition or authenticity of the goods you are bidding on. We will do our best to store items if you cannot attend the auction after-party to collect the goods, but you agree that you are responsible for full payment, safety and collection of the goods from the fall of the auctioneer's hammer.
